

Start by logging into your account, if you do not have an account, create one. You may need your account number and service address to link your account:

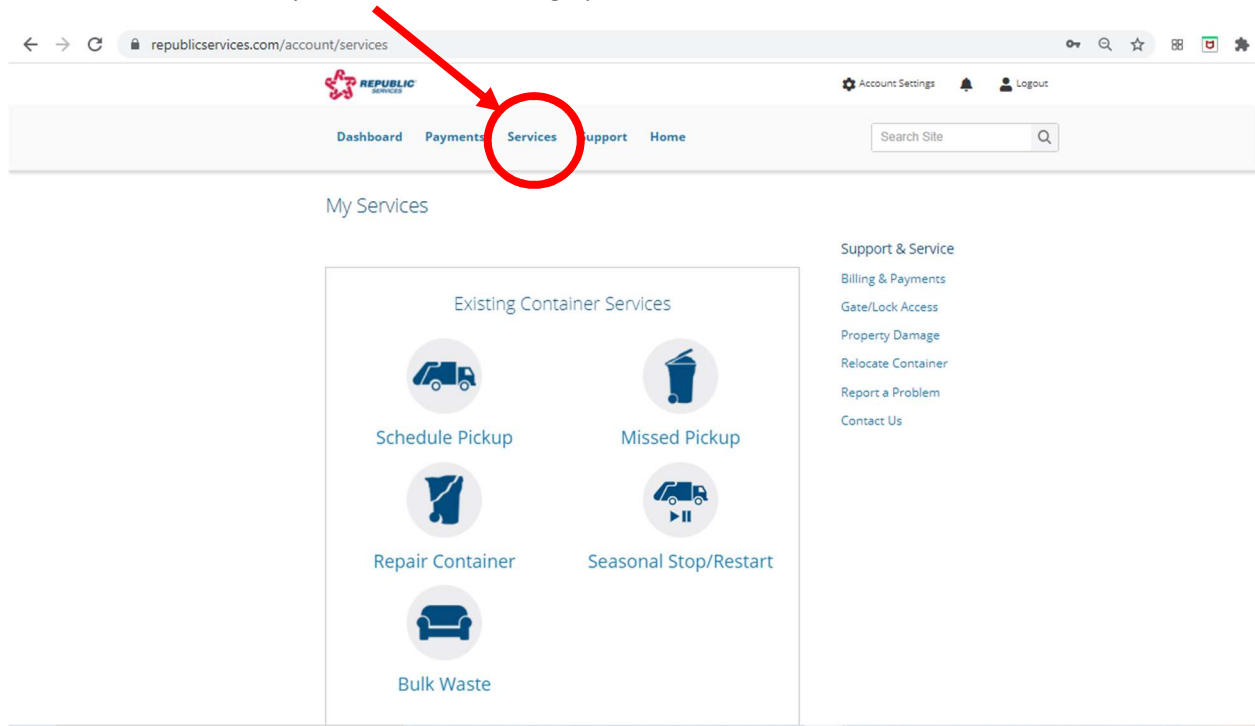

The screenshot shows the Republic Services login page in a web browser. The address bar displays 'republicservices.com/account/login'. There are two notification banners at the top: one about weather impacts in Florida and Texas, and another about Independence Day holiday schedule changes. The navigation bar includes links for Residential, Business, Pay Bill, See Schedule, Support, and About, along with a search bar and a 'Login' button. The main heading is 'Manage Your Republic Services Account', followed by a subtext: 'We enhanced your online account to make it easier & faster for you to login & manage your account.' Below this is a 'Login to your account' section with an 'Email' label and an 'Email Address' input field with a checkmark icon. To the right is a placeholder image of a laptop displaying the website. A 'Feedback' button is visible on the right side.

Once you login, you can use the dashboard to perform a variety of useful tasks, such as:

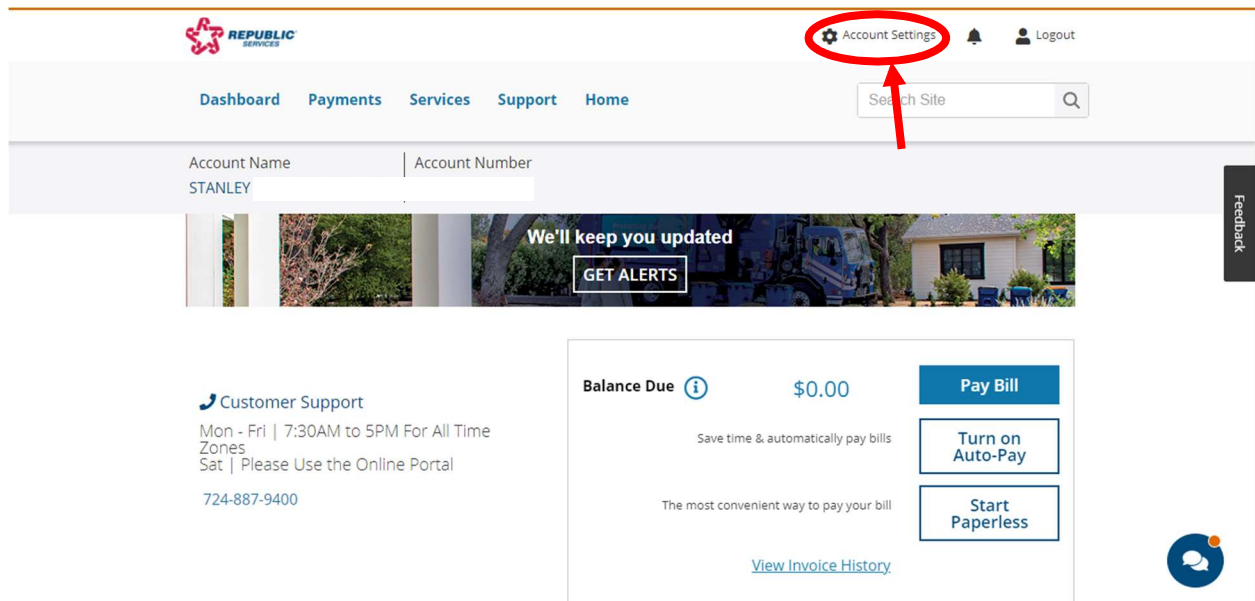

- Reviewing the pickup schedule,
- Checking on the status of the scheduled pickups,
- Reporting a problem, and
- Signing up for notifications

The screenshot shows the Republic Services dashboard after login. The navigation bar includes links for Dashboard, Payments, Services, Support, and Home, along with a search bar and a 'Logout' button. Below the navigation bar, there are fields for 'Account Name' and 'Account Number'. A banner image with the text 'We'll keep you updated' and a 'GET ALERTS' button is displayed. On the left, there is a 'Customer Support' section with contact information: 'Mon - Fri | 7:30AM to 5PM For All Time Zones', 'Sat | Please Use the Online Portal', and the phone number '724-887-9400'. On the right, there is a 'Balance Due' section showing '\$0.00' and a 'Pay Bill' button. Below this, there are buttons for 'Turn on Auto-Pay' and 'Start Paperless', along with a link to 'View Invoice History'. A 'Feedback' button is visible on the right side.

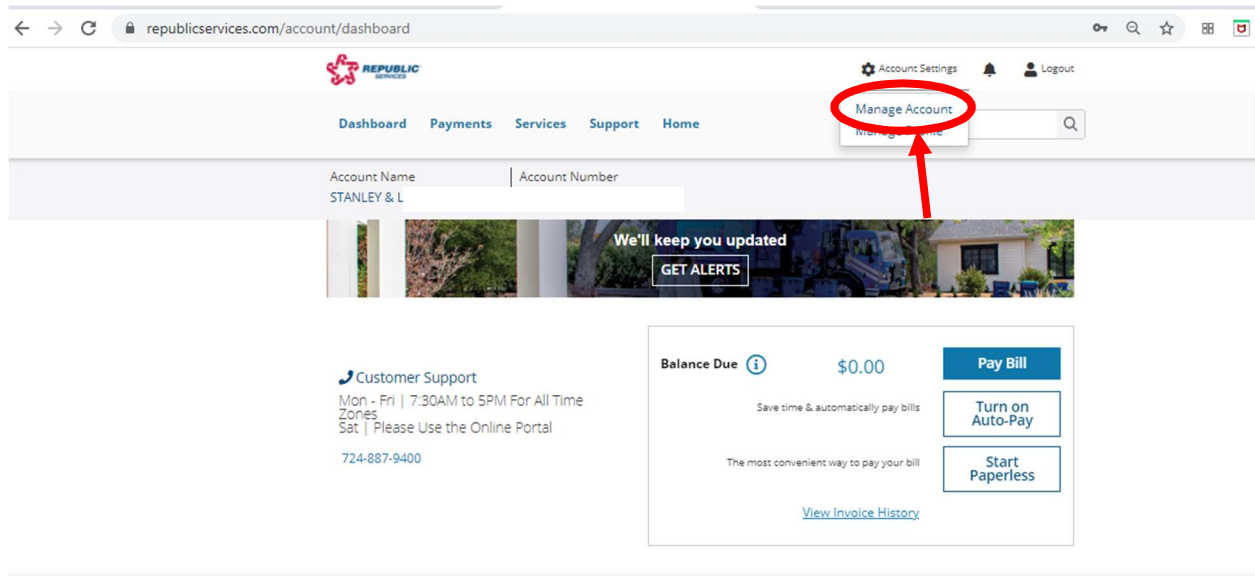

Under the services tab, you have the following options:

To update your contact information, click on “Account Settings” icon:

Under “Account Information”, select “Manage Account”, you are able to edit your billing information and phone number.

There, you can update your phone number and billing address
